Dear Members & Friends,

Happily, we are now able to confirm that in **February we will be hosting Carl Bernstein** and in **April we will be joined by Helen Rappaport!**

As always, current Prologue members need not do anything -- you will automatically receive your copy of each book via US Mail and you will be registered to attend these Crowdcast virtual events. Just mark these dates in your calendar and, shortly before 1pm each event day, click the Crowdcast link that's emailed to you.

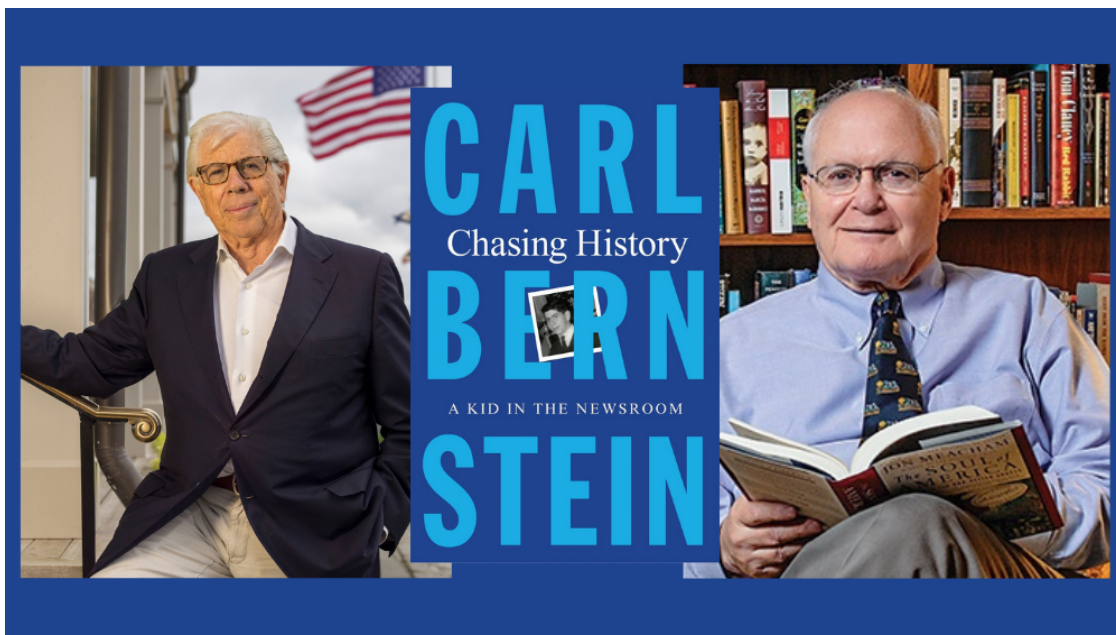

Friends, it's not too late to become a member  
for the 2021-2022 season!

[Join online](#) and you'll have access to the Crowdcast recordings and  
you'll receive the books from this season's past events.
